AN OVERVIEW

Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow is a University established in 1983 under an Act of Legislature of the State of Uttar Pradesh. Located on a 550-acre residential campus on Raebareli Road, Lucknow, it is rated among the top medical institutions in the country. A highly skilled and dedicated faculty provides quality education and state-of-art patient care, and is involved in research that strives to meet the needs of the society. The Institute awards DM, MCh and MD degrees that are recognized by the Medical Council of India. It also offers a PhD program, a 2-year Master in Hospital Administration program (approved by the University Grant Commission, not approved by the Medical Council of India) and several one-year Post-Doctoral Certificate (PDC) courses in medical specialties. In addition, the Institute offers several non-degree/non-certificate training positions, such as Senior Resident positions in several medical specialties, a Senior Demonstrator program in Molecular Medicine & Biotechnology, and a Medical Physics Resident program, besides a post doctoral fellowship program in several departments.

Part A: Objective written examination for selection of Senior Residents (HS), PDC Courses will be held on Sunday, **29th July, 2018** at 10.00 AM (venue communicated in the admit card)

Based on result of Part A examination, short listed candidates will be called for Part B departmental objective test (generally in the ratio of 3 candidates per seat advertised, pooling all SR and PDC posts in each department), which will be held on Monday **31st July, 2018 from 9.00 AM** in respective departments. The list of candidates called for departmental test will be displayed on Monday, **30th July 2018, by 9.00 AM** on the Institute Notice Board at the Administrative Block/ Institute's website.

The Final result of selected candidates after pooling results of Part-A + B will be available on **3rd August, 2018 by 4.00 PM** on the Institute Notice Board at the Administrative Block/ Institute's website.

Procedure for scrutiny

In case any candidate desires scrutiny of his result, he/she is required to submit an application in writing along with a fee of Rs. 3000 via demand draft in favour of 'Director, SGPGIMS, Lucknow, Academic Account'. The result will be made available in one week after the request is made. No request for scrutiny will be entertained after one week of publication of result.

Important instructions

The completed Application Form and Identification-cum-Attendance Card along with relevant certificates should reach the Institute on or before the last date as specified in the advertisement. Incomplete applications or applications received after due date shall not be considered and no communication in this regard shall be entertained. The institute takes no responsibility for delay or loss of application in postal transit.

A candidate who is found **not** eligible for the entrance examination, may request for a review of his/her application to the Executive Registrar of the Institute between **28th July**, 2018 after paying the prescribed fee of Rs. 500 through a Bank Draft drawn in favour of 'Director, SGPGIMS, Lucknow, Academic Account', payable at State Bank of India, SGPGI Branch, (Code 7789), Lucknow. However no additional document or information other than that submitted with the original application form will be considered during such review. Request for review made after the above specified dates will not be considered.

METHOD OF SELECTION

The Entrance Examination will have two parts (total 100 marks).

Part A (60 marks): An objective-type, written examination of 90-minute duration, consisting of 60 multiple TRUE/FALSE questions. Each question will have a stem and five responses. The candidate is required to mark each response as either true or false, using only a black or blue ball-point pen. All questions carry equal marks. For each correctly-marked response, 0.2 marks will be awarded. For each incorrectly-marked response, 0.1 mark will be deducted. No marks will be awarded if a response is not marked as either true or false.

Based on the result of Part A examination, candidates will be called for Part B departmental objective examination (in the ratio of 1:3 candidates per seat in each department).

Part B: Departmental objective test of 40 marks on the topics of patients/disease in the ward/laboratories.

In case of tie, In the event of two candidates securing identical total marks, the candidate with higher marks in Part B will be ranked higher and if marks in Part B are also identical then the older candidate will be ranked higher.

Qualifying marks

Candidates are required to obtain following minimum marks to qualify for departmental test/appointment:
